

Securian Financial's Catalyst Marketing Program

Long-term care (LTC) kit

Securian Financial's Catalyst Marketing Program helps drive traffic to your marketing teams – and spark more sales.

How this kit works:

- **Series of lead-generating emails** promoting the importance of long-term care and linking to a sales tool to help drive increase production
 - **Emails are ready to blast** – download the zip file and select the appropriate file format for your email marketing process: HTML if you plan to send the email using a marketing platform such as MailChimp® or Constant Contact, or OFT if you plan to send via Outlook.
 - **Insert your logo and add the necessary information** to the disclosure block: company name, contact information and marketing unsubscribe language. Add the email's subject line.

Each email comes with **talking points to help you explain SecureCare Universal Life's key features**, the benefits of working with Securian Financial, and how the email's call-to-action can help bolster the agent's sales process.

Subject line: Increase your closing rate with life/LTC hybrid insurance

Why this sales tool – Discussing future care needs with your clients

- A lot of agents would like to sell more LTC insurance and a lot of prospects need it – but how do you start the conversation?
- Tool with multiple ways to help you introduce the topic of LTC with clients

Why SecureCare?

1. Guaranteed LTC cash indemnity benefit – clients can spend benefits however they choose
2. Guaranteed death benefit – even if the entire LTC benefit is exhausted
3. Guaranteed reduced paid up benefits¹ – if clients can no longer afford premiums, they'll still receive reduced paid-up death and LTC benefits
4. Guaranteed return of premium² – may offer clients more peace of mind during times of financial uncertainty

Plus, SecureCare offers:

- Four inflation protection options³ to help protect clients from rising health care costs and potential to deduct LTC premiums

Why Securian Financial?

- Since 1880, Securian Financial has weathered economic ups and downs and never wavered on its promise to pay. Its strong balance sheet, well-diversified investment portfolio and capital strength help make them a reliable bet during times of volatility.
- Securian Financial is not a publicly traded company so they aren't pressured to deliver short-term returns – their goal is to serve you and your clients to the best of their ability

Remember: in order to sell SecureCare, you need a life and health license and/or LTC license depending on your state of residence.

**Stuck with a prospect?
Learn to overcome LTC
objections**

Hi [Name],

How effectively you address your prospects' concerns about hybrid life/long-term care (LTC) insurance coverage can have a direct impact on your ability to place the case.

But some objections can stop a sale in its tracks if you don't know how to quickly position the right response.

That's why [this LTC conversation guide](#) is so powerful – it shows you how to turn objections into buying signals.

Download it today and then call when it helps you close your next LTC case.

What happens when "What if?" becomes "What now?"

Hi [Name],

If one of your clients suffered a major health setback, would they be able to afford the care they need – without sacrificing their standard of living?

If you've ever heard a client say, "Medicare will cover it" or "I'll self-insure if I get sick," then this is the **sales tool** for you. It offers a quick overview of different ways to pay for care – and explains the benefits and limitations of each.

It's easy to have ideas about how you can help a client pay for care – call me to create a PLAN.

Even the best-laid plans can be thrown off by cognitive impairments

Hi [Name],

No one wants to imagine a future where they get sick and need care, but the unfortunate truth is that 1 in 3 seniors dies with Alzheimer's disease or another dementia¹.

Without a care strategy in place, a cognitive impairment could be the Achilles' heel of your clients' retirement portfolios.

Download [this sales tool](#) to learn how you can help protect clients from these unexpected challenges, and then call to learn more about a competitive care solution.

Get the sales tool

1. Reduced paid-up benefits refers to the reduced paid-up nonforfeiture benefit that purchases paid-up insurance in the event of premium lapse.
2. Upon surrender, the policy owner will receive the surrender value proceeds. The surrender value proceeds may not equal the sum of premiums paid. Surrenders are subject to a return of premium vesting schedule. Policies that are fully vested are eligible for a full return of all premiums paid.
3. The optional Long-Term Care Inflation Protection Agreement is available with 3% simple interest, 3% compound interest, 5% simple interest or 5% compound interest.

Please keep in mind that the primary reason to purchase a life insurance product is the death benefit.

Life insurance products contain fees, such as mortality and expense charges, and may contain restrictions, such as surrender periods.

Insurance policy guarantees are subject to the financial strength and claims-paying ability of the issuing insurance company.

Additional agreements may be available. Agreements may be subject to additional costs and restrictions. Agreements may not be available in all states or may exist under a different name in various states and may not be available in combination with other agreements.

SecureCare may not be available in all states. Product features, including limitations and exclusions, may vary by state.

SecureCare Universal Life Insurance includes the Acceleration for Long-Term Care Agreement. The Acceleration for Long-Term Care Agreement and Extension of Long-Term Care Benefits Agreement are tax-qualified long-term care agreements that cover care such as nursing care, home and community based care, and informal care as defined in these agreements. These agreements provide for the payment of a monthly benefit for qualified long-term care services. These agreements are intended to provide federally tax-qualified long-term care insurance benefits under Section 7702B of the Internal Revenue Code, as amended. However, due to uncertainty in the tax law, benefits paid under these agreements may be taxable.

The death proceeds will be reduced by a long-term care or terminal illness benefit payment under this policy. Clients should consult a tax advisor regarding long-term care benefit payments, terminal illness benefit payments, or when taking a loan or withdrawal from a life insurance contract.
